## Am I in love?

👁 26 ✓ 0 ★ 3

### Chapter 1 by WriterGirl

`I think he loves you. I think Ian loves you` Said my bestfriend.

`ME?' I said `No... nobody loves me.`

`Well, I just asked are you in love with Sarah and he said: Yes... I mean no... I mean this is awkward... and then he walked away.`

I blushed... Quick I said `Lets go to class`

While walking to class I was thinking... Am I in love with him... I haven't been in love for such a long time, it must be 3 years. But this changes everything. I don't know how I feel...

We walked in to the classroom and my 2 best friends are sitting next to each other. I go sit in front of them. I pack up my bags and next to me is Ian. There are other seats available but he's sitting next to me. Class starts but I can't stop thinking. He looks kinda cute... But he's a little weird... But he's kinda funny... But not everyone likes him and maybe they think im crazy...

If this situation isn't awkward enough my bestfriends say: `Aww, you're so cute together, you should be a couple.` I blush.
